

Bespoke Christmas 2020

4 night Christmas break (24th - 28th)

At Christmas the host very often spends half the time in the kitchen. This year let us do that job while you kick off your sling-backs and soak up the atmosphere. We will lay on everything from the tree and crackers to the log fire. You will have time to explore the beautiful surroundings and countryside or relax in a quiet corner of the house.

Typically, the main festivities commence on Christmas Eve with Champagne in the evening prior to dinner. On Christmas Day you can expect a traditional roast turkey lunch with all the trimmings, and in the evening, there will be a light supper. On Boxing Day, have a lie in if you wish and indulge in a late brunch, then go for a walk, or just relax; there will be a traditional buffet in the evening. On Sunday evening we can prepare a meal of your family's choice to set you up for your return journey the following morning but as with everything, it's a moveable feast.

The house is yours for £4,500 for up to 14 people (plus 2 children and up to 2 dogs) on a B&B basis. A food and drinks package can be tailored to suit your needs. See Festive menu for details.
