

You can't buy happiness.... but you can buy pizza and that's kind of the same thing, don't you think?

After a hard week at work, all that packing and a long journey; on the night of arrival you may just want to kick off your sling backs, put your feet up and settle down on the balcony with an ice cool drink and something warm and yummy to drive away the hunger. Just chill out and we'll make sure your holiday gets off to a perfect start.

Given 24 hours' notice we can make sure that once you arrive you don't need to budge until the next morning. Hand finished and home baked freshly baked pizza: old school pepperoni, vegetarian and margherita options to order. Our pizzas are 25cm in diameter (just under 10 inches) and, as we control production here, we can tailor-make the pizza of your choice. You can even ask for a ham and pineapple pizza, and we'll do it, because the 'customer is always right'.

Many people consider pizza and ice-cream to be the perfect combination; we have carried out our own research and have noticed enhanced feelings of well-being, especially when combined with local craft beer (in the correct quantities). If you'd like to test this theory, we can help.
